			National and International Awards	National events ,
			Sports And Sports Personality	International
			Scientific development	National
				Sports
	General Science	Physics	Light	Sports Personality
			Electricity	Scientific Development
			Force & Motion	Application of Refelection, Refraction, Uses of Convex and Concave lens/mirrors
			Work, Energy, Power	Resistance series, Voltmeter, Ammeter, Transformer, Rectifier, AC and DC current.
			Sound	Types of Force, and Application of newton law of motion
		Chemistry	Acid bases and salts	Types of energy, conversion of energy
			Carbon and its compound	Sound and its properties
			Atoms & Molecules	Acid bases and salts
			Structure of the Atom	Carbon and its compound
		Biology	Control and coordination	Atoms & Molecules
			Fundamental Units of Life (Cell)	Structure of the Atom
			Disease and its causes	Disease and its causes
		General Hindi	Hindi	Hindi Grammar
Mishr & Sanyukt Vakya				
Vakyon ka Rupantaran				
Alankar				
Samas				
Swarsandhi				
Muhavare & Lokokityan				
Ashud Vakya Shodhan				

खण्ड- 'ख' : General Mathematics - 25 Marks			
Section No.	Section Name	Topics	Sub-Topics
II	General Mathematics	Number System	Basics of Number System
			Simplification
			HCF/LCM
		Time & Work	Basic question of time and work
			Pipes and Cisterns (Easy ones)
		Mensuration	Perimeter
			Areas
			Volumes
		Ratio and Proportion	Ratio
			Proportion
		Geometry	Circles
			Triangles
			Quadrangles
		Average	Basic questions of averages
		Profit and Loss, Discount	Relation of SP and CP
			Relation SP and MP
			Discount
		Percentage	Basics of percentages
			Percentage Change
		Time and Distance	Average Speed
			Relative Speed
Boats, Trains & Platforms			
Simple and Compound Interest	Simple Interest		
	Compound Interest
